

Refurbished Intel i5 Windows 11 Dell Laptop

Commercial grade laptops with what look like very little use. High quality. We buy them in bulk, go over everything and refurbish them for resale.

Upgrade your old laptop and experience the instant boost in performance, power and quality a refurbished Dell laptop brings.

With a FAST SSD Hard Drive, you'll have Windows and your programs opened, ready to go in seconds.

Perfect for everyday computing.

We love them and use them ourselves!
