

COMPUTER UPGRADES

SIMPLE & COST EFFECTIVE WAY TO INCREASING YOUR COMPUTERS SERVICE LIFE

Computer upgrades also add more capabilities to your existing equipment. The friendly and approachable team here at PC Pitstop are here to help!

SUCCESSFUL COMPUTER UPGRADES FROM THE EXPERTS

If there is an upgrade path our experts will find it. PC Pitstop has been performing upgrades for almost 20 years. Our fully trained technicians have upgraded thousands of systems and are here to help you every step of the way.

COMPUTER UPGRADES GIVE YOU THAT PERFORMANCE BOOST

- Windows 10 upgrade
- RAM memory upgrade
- Performance upgrades
- Graphics video card upgrade
- Hard drive and solid state hard drive upgrades
- Apple Mac and PC upgrades

Every upgrade is unique. The team here at PC Pitstop get to know you and your system and ask lots of questions so you get the result you are after. We inspect and assess your equipment to make sure the upgrade will be the right fit for the right job you are looking to perform.
