

INSURANCE ASSESSMENTS

IF YOUR COMPUTER IS COVERED BY YOUR INSURANCE POLICY, WE CAN HELP!

Our team of experts will exhaust all resources to assess, repair and or provide a written insurance claim report based on physical testing.

INSURANCE CLAIM REPORTS FROM THE EXPERTS

If there is a solution to your loss our experts will find it. PC Pitstop has been performing damage claim assessments for almost 20 years.

Our fully qualified technicians have assessed thousands of devices and are here to help you every step of the way. Insurance reports are still only \$89. We can fix your computer and get it running again, supply a replacement, then transfer your data to get you back on your feet.

WRITTEN IT INSURANCE ASSESSMENTS FOR:

- All types of IT equipment
- Home & business
- All types of damages
- Apple Mac or Windows computers
- Any make, model or brand
- All causes of data loss
- Viruses or ransomware
- Lightning or power surge
- Including fire, flood and physical damage

Every insurance report is unique, please contact your insurance company for a claim number and contact details so we can forward the written insurance assessment to the right people.
