

# BUSINESS IT SOLUTIONS

## WE HELP MANAGE YOUR SMALL BUSINESS IT

A regularly maintained IT environment means fewer costly failures, reduced exposure to security risks, and increased employee productivity.

## IMPROVE EFFICIENCIES

### Better Business Support

We're here to ensure your business runs smoothly, focusing on removing all the IT problems and roadblocks that can disrupt your day-to-day operations.

We listen, ask lots of questions and then step into your business and take a helicopter view of your technological needs, ultimately finding the right solutions. We love fixing things and keep you informed every step of the way.

It's simple, but it's why we're still the most trusted name for business computer support in Port Macquarie.

## SOLUTION BASED

### Local People - Local Solutions

The team here at Pitstop IT work closely with you to gain full understanding of your needs and business objectives. This allows us to identify and deliver the full 360° service to your satisfaction every time. We proactively find and present solutions that we truly feel will improve your business, increasing revenue and improving operational efficiencies. Pitstop IT is a team with their eyes on the horizon of the future for the benefit of your business.

**Pitstop IT is powered by PC Pitstop**, your 7x Port Macquarie Business Awards winning team.

## WE HELP SOLVE YOUR BUSINESS TECH PROBLEMS

IT solutions that work specifically for your business from purchasing the right equipment to managing your IT environment.

### Qualified Team

Working with hundreds of local businesses like yours to implement IT systems.

### Priority Response

Reliable IT support that allows your business to quickly get back on track.

### Great Proactive Support

Resolving more than just issues, we identify and repair the underlying cause.
