DATA RECOVERY

HOW FAST DO YOU NEED YOUR DATA BACK?

If you haven't secured your files and data and your equipment fails, we can assist with a range of professional forensic data recovery services.

NEED YOUR DATA BACK?

Data recovery for any situation
Have you experienced that crushing feeling when your computer crashes and all your valuable files disappear? Don't stress, PC Pitstop & Pitstop IT are masters of data recovery and we'll help get them back for you fast. With a 93% success rate, and forensic data recovery available, you can trust us with your precious data. There are usually only two instances where recovering data is not possible. These are if the hard drive has been wiped professionally, or if it has been physically and irreversibly damaged. However, these are quite unlikely and unusual situations, which means data recovery is often possible.

WE'RE HERE TO HELP

Our experts have years of experience and specialist knowledge of data recovery. We can recover data from a wide range of computers and devices. We ask simple and straightforward questions to find out how we can help you best. We then perform investigative testing of your equipment to get to the root of the problem. Provide a no-surprises cost estimation quote. Have candid discussions with you to figure out the best way forward and then tailor-make a solution specifically for you. All our work is 100% guaranteed. **Pitstop IT is powered by PC Pitstop,** your 7x Port Macquarie Business Awards winning team.
