

CUSTOM DESKTOP COMPUTERS

COMPUTERS CUSTOM BUILT TO YOUR SPECIFICATION.

Designed for professional & serious end users. Rock solid performance & reliability.

DESKTOP COMPUTERS BUILT BY THE EXPERTS

The team at PC Pitstop know and have access to all the latest parts and configurations to build you the ultimate desktop computer that you will enjoy for many years to come. Not only providing the system, but all ongoing service and support.

GET THE JOB DONE WITH A CUSTOM COMPUTER BUILD

At PC Pitstop, we don't just want to build you a computer, we know you want a computer that can handle your workload that gets the job done. That's why we're passionate about creating high performance, premium hand builds – customised to your exact needs.

BUILT TO GET THE JOB DONE

A competitive machine means a competitive player. The PC Pitstop team can upgrade your existing PC with your choice of the latest custom components. This means you spend your hard-earned cash on parts you actually need, and not the ones you don't.

WE HELP SOLVE YOUR BUSINESS TECH PROBLEMS

IT solutions that work specifically for your business from purchasing the right equipment to managing your IT environment.

Call us - ask lots of questions!

PC Pitstop accommodates everyone – from industry professionals to those just getting started and everyone in between.

Free Quotes

Simply let us know what applications you want to run on your new computer, let us know your budget and we will quote you on the best possible computer to match your specifications.

Fast turnaround time

Build time usually takes a couple of days after your parts arrive in stock. The technicians then test everything from top to bottom before calling you to collect. It's that easy.
